

# DAYBREAK MARATHON GUIDE

---

## We're excited to have you be part of DayBreak Marathon!

Day Break Marathon is an experience tied into helping you accomplish your goals whether it be a half-marathon or a 5K/10K journey. Run at a great time of the day and then stay after for an experience you don't want to miss!

Day Break Marathon was designed as a more private, personalized run.

We strip away a lot of the excess of check-in, after-parties, large crowds, music & DJ, and some of the conventional productions of a typical race.

This way it allows you to just focus on the run and not a lot of the other commotion. Note the run was designed for individuals and small groups to run at their own pace and time.

Please read through this guide carefully for everything you'll need to know for the event!

*\*Each run is small, capped at 25 participants*
